

Get started with placemaking !

Co-creating great public spaces and cities

Placemaking Sprint!

Price: 4500 euros (excl. travel costs)

Book us for a one day on-site bootcamp with your team and stakeholders where we will help you:

- Engage citizens and stakeholders
- Collectively assess how your public spaces function, how they are used and valued by the community
- Draft short and long-term action plan to improve the space, and its collaborative governance

– Before the bootcamp –

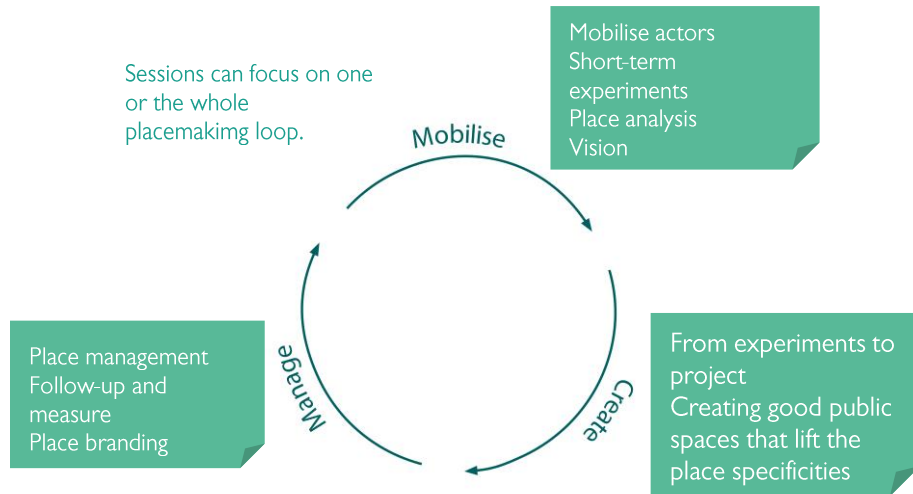

Coaching (2 x 1h): we prepare the workshop together, define target groups and challenges.

– After the bootcamp –

- Debrief coaching (1h)
- Roadmap: We put together a summary of contributions and a short action plan including: seasonal programming and experimentations, short and long-term improvements, and recommendations.

*Is it not quite what you need?
Don't hesitate to reach out
anyways and we will design a
tailored made plan.*

Sessions can focus on one or the whole placemaking loop.

Placemaking Jump!

Price: 900 euros (excl. travel costs)

Placemaking Jump includes a presentation of the Nordic Placemaking handbook, and handpicked tools and cases. It is followed by an open discussion with participants of your choice.
